WHY WASHINGTON PROCESS GROUP

Practitioner Experience

More than 20 years supporting quality management, compliance, and process improvement in government and commercial environments.

Focused Scope

Specialized in ISO 9001:2015 and CMMC — not a broad generalist practice — providing depth over breadth.

Structured, Self-Directed Approach

Tools and advisory support designed for organizations that need to manage compliance work internally with limited outside resources.

Small Business Responsive

Built to work with small businesses and government contractors navigating compliance requirements with constrained timelines and resources.
